

Instruction Booking (mYard)

Application for access for service providers/tradesmen/construction workers/others

Please note that we only grant access to our premises after prior registration. Access to the area is only possible with an access code.

Registration is quick and easy:

- Register at reception upon arrival.
- You will receive a code that gives you access to the area. The code can be reused as long as it is active.

You can find information about the procedure on our grounds under the documents. Please also note our yard rules.

Do you have any questions about the time window management system? Then please check our FAQ or contact us by e-mail at mYard_Koordinator@mvg.ch or by telephone at our head office +41 62 855 6111.
